A photograph of a window with white horizontal blinds. The blinds are partially open, revealing a view of green trees and a clear sky. In the foreground, a potted plant with long, dark green leaves is visible. A dark, semi-transparent geometric shape is overlaid on the right side of the image, containing the word "shutters" in white text.

shutters

Venluree shutters add timeless elegance to any living environment, whether it is the classic look you want or a more minimalistic approach to living, Venluree has arrange of shutters to suit your home.

Using a range of timbers and composite plastic, utilising stability and hardness in these materials we can create a functional and stylish shutter to suit your requirements.

With a colour palette of over 10 solid colours and 10 stained colours Venluree's interior shutters will give you light, privacy and shade control.

With 3 blade thicknesses to choose from 64mm, 89mm and 114mm and an extensive range of stiles and framing, Venluree is confident we have a product that will provide a solution to your window and door covering needs.
