

The background of the advertisement is a photograph of a modern living room. A large window with a white roller blind is the central feature, offering a view of a lush green landscape with tall grass and trees. In the foreground, a light-colored sofa is partially visible on the right, and a coffee table holds a small potted plant and a bowl. To the left, a wooden shelf holds another potted plant. The Venluree logo is in the top left corner, and the company's website is in the bottom right corner.
