# Retractable Fly Screen

## Features

- No more looking at ugly fly screens 24/7
- Easily fitted to virtually all types of windows, old and new
- Suitable for most single doors, sliding doors, feature doors, roof windows, skylights, bain-marie and food displays
- Out of sight, out of mind
- Turn every sliding or double hung window into a servery
- No braking system or spring loaded roller
- Pulley operated system with strong, hard wearing Kevlar cable
- No chains or cords, making it neat, stylish and hazard free
- Available in a variety of frame colours
- Makes cleaning windows so much easier
