

## Curtains

Whether you are looking for that classic elegant look, the modern contemporary feel or you want to make a statement on your Curtains, the Venluree range of curtains can satisfy the most discerning buyer.

Utilising the latest colours and designs in fabrics from all the major fabric suppliers, Venluree has an option to enhance your decor.

As well as a never-ending range of curtain fabrics, Venluree can also provide a stunning selection of Sheer's. You can choose to use sheers and voiles on their own for a soft and gorgeous window treatment or add them to curtains and blinds to create a beautiful layered look.

Making the right choice is very important and there are many practical factors to consider when choosing the right curtains. Venluree are specialists in custom made window furnishings. Our FREE in-home consultation service provides you with design advice and a complete professional measuring and fit application.
