Selecting the ideal curtains goes beyond appearance—it requires a careful balance of style and functionality. While aesthetics are key, it's just as important to consider other fabric qualities that enhance your comfort and daily living. At Venluree, we offer a wide range of curtain fabrics designed with practical features like thermal insulation, mould resistance, soundproofing, and blackout options. Our curtains don't just elevate the look of your space; they also deliver tangible benefits, making your home more comfortable, efficient, and inviting.

Explore Thousands of Curtain Fabrics and Pleating Styles

Single Pleat Sheer Curtains – Installed by Venluree Taranaki

Venluree offers an extensive selection of curtain fabrics and styles to suit every taste and interior design. Whether you're drawn to elegant textures, intricate Jacquards, crushed finishes, or practical triple weaves, our collection has something to complement any décor. From subtle

and sophisticated to bold and vibrant, you'll find the perfect fabric to elevate your space.

We also provide a wide range of pleating options, giving you the freedom to personalise your curtains' appearance and functionality. Choose from popular pleating styles like Pencil, Single, Double, Triple, Inverted, or Wave pleats, each designed to enhance the look and performance of your curtains.

But we don't stop at fabric and pleats. Venluree offers a comprehensive selection of curtain tracks in various colours and designs—ranging from minimalist and functional to decorative tracks that make a statement. With the choice of hand-drawn or cord-drawn tracks, along with motorised options for ultimate convenience and luxury, we ensure that every detail of your curtain system is tailored to your exact needs and lifestyle preferences.

Venluree: Exceptional Quality You Can Trust

Choosing Venluree for your curtain needs means opting for unmatched quality and bespoke service. With our in-house curtain workroom and extensive stock of premium materials, we have the ability to tailor each project to your exact specifications. This hands-on approach allows us to maintain strict quality control throughout the entire manufacturing process, ensuring every curtain meets our high standards of craftsmanship.

By utilising our in-house stock, we also significantly reduce lead times, so you can enjoy your custom-made curtains faster without compromising on quality. At Venluree, we combine precision, efficiency, and expertise to deliver curtains that not only look stunning but also stand the test of time.

Endless Curtain Fabric Choices and Expert Guidance: The Venluree Advantage

Wave Pleat Sheer Curtain – Installed by Venluree Wellington

At Venluree, we pride ourselves on offering a vast selection of curtain fabrics from multiple suppliers, ensuring that you have access to a nearly limitless array of options. Our independence from any specific fabric houses allows us to source premium materials, including exclusive imports from Europe and Turkey, providing you with an unparalleled selection to perfectly match your personal style.

In addition to this extensive fabric range, Venluree is a proud stockist and distributor of the prestigious Resene range of curtain fabrics. This exclusive partnership enables us to offer high-quality Resene fabrics that seamlessly complement our roller blinds, allowing you to create a harmonious and cohesive aesthetic throughout your home.

We understand that with so many choices, selecting the right curtains can feel overwhelming. That's why we're committed to simplifying the process. Venluree offers free in-home consultations, where our knowledgeable professionals guide you through every step of the selection process. From answering your questions to providing tailored

advice based on your specific preferences and needs, we aim to make the experience both enjoyable and hassle-free.

In summary, Venluree delivers a comprehensive range of custom curtain solutions that blend style, functionality, and craftsmanship. Whether you envision a cosy retreat, an elegant focal point, or a serene oasis, Venluree has the perfect curtains to bring your vision to life. With our personalised service, extensive customisation options, and unwavering commitment to quality, we're your trusted partner in transforming your house into the home of your dreams.
