

Evolution Venetian Blinds

Evolution Venetian Blinds combine technology and class to provide you with an Evolution Venetian blind polymer synthetic product that has durability and strength along with style and elegance

Evolution Venetian Blinds combine technology and class to provide you with a polymer synthetic product that has durability and strength along with style and elegance

With a polymer 50mm and 60mm wide slat that is impervious to moisture, they are durable, low marking, heat resistant and long lasting, Ideal for wet areas, bathrooms, laundries and kitchens but also stylish and robust for living areas in your home.

Evolution Venetian blinds have the same appearance as painted timber venetian blinds but at a much lower cost.
