Venluree: Supplying Custom Made Retractable Awnings in New Zealand for Over 50 Years

For over half a century, Venluree has been at the forefront of providing high-quality, custom-made retractable awnings in New Zealand. Our commitment to excellence and customer satisfaction has solidified our reputation as a trusted name in the industry. Over the years, we have continuously evolved, integrating innovative designs and advanced technology to deliver products that not only meet but exceed our customers' expectations.

A Legacy of Excellence

Since our inception, Venluree has been dedicated to crafting retractable awnings that combine functionality, durability, and aesthetic appeal. Our journey began with a simple mission: to provide New Zealand homes and businesses with superior sun protection solutions that enhance outdoor living spaces. Over the decades, we have stayed true to this mission, ensuring that every awning we supply is of the highest quality and tailored to the unique needs of our clients.

Custom-Made for Your Needs

At Venluree, we understand that every outdoor space is unique. That's why we offer a wide range of custom-made retractable awnings,

designed to fit your specific requirements perfectly. Whether you need an awning for your home, apartment, or commercial space, our team of experts will work with you to create a solution that complements your environment and meets your needs.

Advanced European Engineering

Our retractable awnings are crafted with advanced European engineering, renowned for its excellence in sunshade design. This ensures that our products not only look great but also provide reliable performance and longevity. From open-type classic awnings to those with streamlined aluminium protective hoods or fully enclosed cassette awnings, our diverse range guarantees that there's an option to suit your preferences and needs.

High-Quality Materials

We believe that the best products are made from the best materials. That's why we use high-quality, rust-resistant aluminium and premium Dulux powder coatings in our awnings. Our canvas fabrics, sourced from industry leaders like Docril and Planosol, offer superior durability, fade resistance, and mold resistance, ensuring that your awning remains in top condition for years to come.

PLANOSOL®
